

HONORS CAPSTONE RESEARCH GRANT APPLICATION FALL 2009/SPRING 2010

The University Honors Program has designated funds for grants to students for research and other projects leading toward the completion of their senior Honors Capstone. Awards will be determined on the basis of the Capstone project's merit and feasibility, in addition to the impact of the grant on the completion of the Capstone. No award will exceed \$500. Applications will be accepted only for those students registering for all or part of their Capstone in present semester.

The deadline for Fall 2009 application is Monday, September 21.

The deadline for Spring 2010 application is Monday, February 8.

To be considered for an Honors Capstone Research Grant:

1. Complete the **Honors Capstone Research Grant Application**, including a detailed cost estimate (on reverse),
2. Attach a **statement of objectives** of the project and how the grant will enhance your Capstone,
3. **Sign** this form and also obtain the **signature of your Capstone advisor** (on reverse),
4. Attach this application to the **Honors Capstone Form**, and
5. **Submit** it to the University Honors Office in Hurst Hall 206 by the deadline.

6. Optional: Capstone advisors may *attach* a **letter in support** of the student's Capstone Grant request, addressed to Professor Michael Mass, Director, University Honors Program.
