

# Barry Goldberg

One of the finest coaches in the nation, Barry Goldberg recently completed his 15th season as the head coach of the American University volleyball program. Responsible for the dramatic rise of the program, he has established the team as a domineering power in the Patriot League and the Northeast Region of the United States. The Eagles have been conference champions six of the past seven years. In addition to having captured three consecutive NCAA tournament berths, he has led his team to 48-straight Patriot League victories since coming to the league.

The architect of a model program, Goldberg has led American to 20 or more wins in 14 of his 15 seasons at the helm. He owns an overall record of 374-145 for an incredible .721 winning percentage, which ranks him among the top-20 active collegiate coaches in the country. A four-time Coach of the Year honoree and the 2001 Patriot League Coach of the Year, Goldberg has produced numerous All-Conference, Regional All-American and Academic All-America selections, including two-time CoSIDA Academic All-America Player of the Year and 2003 AVCA All-America Honorable Mention, Karla Kucerkova.

For the last 14 summers, Goldberg has conducted both individual and team volleyball camps at American and other locations in the Mid-Atlantic region. In 1997, he served as the United States representative, along with the Tampa Bay Juniors Volleyball Club at a four-nation international camp in Europe. Elite junior national teams from Switzerland, Slovakia and the Czech Republic hosted the camps. He has also held seminars in the National Mizuno Coaching Clinic Series and serves as a member of the national AVCA/USA Today Top 25 Coaches poll.

A native of Pittsburgh, Pa., Goldberg is a 1984 graduate of the University of Pittsburgh with a bachelor's degree in communication and rhetoric. He went on to receive his master's in Counseling Education in 1986 from Pittsburgh. A standout on the court, Goldberg was captain of the men's varsity volleyball team at Pittsburgh that finished with a national ranking of 13th in 1983. From 1985-86, Goldberg was the assistant women's volleyball coach for his alma mater. In 1987, he came to Washington, D.C. as the coach of the Capital Volleyball Club where all of the players he coached secured scholarships at Division I institutions. Goldberg then went on to serve as the assistant coach at Georgetown for one season before coming to American.
