

## Centennial Suite Application Results:

Applicants who qualified for Centennial Hall suite are listed below. Each person is listed by an identifier made up of the first letter of the first name, plus the first letter of the second name and the last 4 digits of the ID number. If you qualified for a suite, please come to the Centennial Hall Suite Selection process on Thursday, March 19th at the time listed below. Not everyone in the group needs to be present to select a room. Please notify our office if no one in your group can make the selection session and we will work with your group on a proxy.

Students who applied for but did not qualify for assignment to Centennial Hall will need to participate in another part of the Room Re-Application process like the Hall or Campus Re-Application processes if university housing is wanted for the 2009/10 academic year. Please note, if housing is not selected during the Room Re-Application process, housing is not guaranteed for the 09/10 academic year. If university housing is not wanted for the 2009/10 academic year, please contact our office by phone at x3370 or by email at [housinganddiningprograms@american.edu](mailto:housinganddiningprograms@american.edu).
